Introduction and line drawings	3
Site Photos and detailed images	7 -30
Bar and counter stools	31
Select client list	32-33

*** 10 year warranty**

The *LH-42* stacking chair was originally designed in 2019 for the cafe spaces in the podium in the Cesar Pelli-designed Trinity Place tower on Wall Street (NYC). It has since been specified for dining halls, cafés, classrooms and meetings rooms at Manchester Town Hall, Homerton College*, Churchill College and Trinity Hall (in Cambridge), St Edward's School, Balliol College and Reuben College (in Oxford), DREAM Charter School, Colorado Rocky Mountain School and Trinity Wall Street (in the USA).

Specifying architects include Niall McLoughlin Architects, Ian Ritchie Architects, Eric Parry Architects, Purcell Architects, Feilden Fowles, FJC Studio (in UK) and MBB Architects, A4 Architects and Beyer Blinder Belle (in USA).

'The furniture is truly outstanding'

*Dame Fiona Reynolds, former Master of Emmanuel College,
Chair of Judges, Cambridge Design & Construction Awards 2023*

** Winner of the Gold Award at the 2022 Wood Awards. The judges' comment about the dining hall was: 'the building celebrates the integrity and inherent beauty of its materials, from its design through to its incredible craftsmanship, and the space creates something which is both welcoming and inspiring to students breath-taking to building professionals, educators, and students alike'.*

For further technical information about the chairs, variants, linking mechanisms, storage and handling techniques, acoustic qualities, timber options etc. please contact the Design Studio.
